Readings for Sunday, November 13, Thirty-Third Sunday in Ordinary Time: Mal 3:19-20a; 2 Thes 3:7-12; Lk 21:5-19

Please remember in your prayers all those members of our parish family who are sick or suffering in any way, all those in hospitals or nursing homes, and all our shut-ins. We pray for all who have died recently, including June Veitch, mother of Michael Veitch; and Thomas Hyland, husband of Sheila Hyland. Let us not forget the victims of violence at home and abroad. We remember the men and women serving in the armed forces and their families, as we continue to **pray for peace.**

Family Perspectives
By Bud Ozar

The question of the Sadducees to Jesus is framed in a story about a family with seven brothers and their sister-in-law. Through story telling families remember their shared past and expose the companionship of God in your family from generation to generation.

Marriage Moments

The election is at hand. The USA is divided and tired. Is it possible to love and respect those with different political opinions? Consider how you resolved serious differences of opinion with your spouse. What does it mean to 'love your enemy' when it feels like fellow citizens are the enemy? Learn from your marriage. We must go on living together.

November is National Adoption Month. Whether or not your own children are adopted, talk with them about the generosity of those who adopt, foster parent, or simply mentor children who are not biologically connected to them.

Communion Vessels

The Church has always tried to mark the Liturgical seasons in a variety of ways; the most common and most obvious ways are the changes in music and vestment color. Here at Saint Peter's one of the more subtle seasonal changes has been our use of different communion vessels during different times of the year. We have used pottery for the seasons of Advent and Lent, glass for the weeks of Ordinary time and pewter for the days of Christmas and Easter, as well as the major feasts.

Although they have all served us well, many people have had some difficulty drinking from the pewter cups which are deep and narrow. This has at times caused some spillage of Christ's precious blood. Hoping to avoid those accidents in the future, we have found some communion cups with a much wider opening. They are silver plated but would complement the pewter plates and pitcher that we currently have.

As our children will soon be preparing a Christmas wish list, our parish would like to follow their example. If anyone would like to contribute a communion cup or two for our parish, perhaps in memory of a loved one, please talk to Father Tom. The cost of each silver cup is \$600.00. Thank you in advance for your generosity to our parish.
